BIDDERS LIST REQUIREMENT

Per 49 CFR Part 26.11(c), NDDOT is required to obtain a bidders list from all bidders for each federally funded contract. The information collected is for all subcontractors that submitted a quote, regardless of their DBE status as well as if they were used in the bid or not.

Please enter the information listed in SFN 52013 – List of Businesses That Submitted Quotes for each firm that quoted for this project. The form can be downloaded from the NDDOT website (<https://www.dot.nd.gov/dot/view/forms.aspx>). Once complete, attach the file to your bid using the upload field below.

For any questions regarding the Bidders List, email civilrights@nd.gov

VARIOUS INFORMATION

- Primes - be sure to attach quotes to all Form Cs
- DBEs - must now confirm being added to a Utilization Plan. DBEs receive an email from the system. Complete promptly as to not hold up final approval from NDDOT.
- 1:1 DBE Trucking Ratio still under review.
 - If removed DBE Documents will be updated to reflect change.
 - If kept, current firms will be required to complete mandatory training before it is reinstated on their DBE Directory listing. Further non-compliance after required training will result in permanent removal of 1:1 eligibility.
- Comprehensive DBE Trucking Roster currently being created
 - DBE trucking firms must provide documents regarding ownership (must own at least 1 truck) and **long-term** lease from a **reputable dealer** for any trucks
- DBE Goal Statistics on DBE Webpage

A wide-angle landscape photograph of a winding asphalt road in North Dakota. The road curves through green grassy hills and pastures. In the foreground, tall, golden-brown grasses are in focus. A silver pickup truck is driving on the road. In the background, there are rolling hills and a small body of water. The sky is clear and blue.
